The President and members of his cabinet will put in a strenuous day delivering addresses, far or near, or taking short trips out of town for pleasure.

The Secretary and Mrs. McAdoo will return to Washington tomorrow.

Mrs. Albert S. Burleson entertained at luncheon yesterday at Pierce Mill, Rock Creek Park, for Mrs. William Jennings Bryan, the event being somewhat in the nature of a cabinet reunion in her honor, but as Mrs. Bryan arrived unheralded yesterday morning, and the party was invited over the phone, there were several absentees on account of other engagements.

Mrs. Burleson's guests were Mrs. Thomas R. Marshall, Mrs. William Gibbs McAdoo, Mrs. David Franklin Houston, Mrs. Matthew T. Scott and Mrs. Carl S. Vrooman.

## PROVIDES NEW SYSTEM FOR HOSPITAL ADMISSION

Senator Lee Introduces Bill Affecting Government Institution for the Insane.

Senator Lee of Maryland has introduced in the Senate a bill providing a new system for admission into the Government Hospital for the Insane from the District of Columbia. Provision is made for the filing of petitions in open court, signed and sworn to by the Commissioners of the District, to begin proceedings to have any persons believed to be insane to be adjudged insane and sent to the hospital. The court is directed, following the filing of the petition, to grant a hearing on the case at which the presence of the alleged insane person shall not be required, unless for some good reason it is directed otherwise.

Provision is also made for the appointment of two physicians to examine the sanity of any persons for whom a petition has been filed. The court is given authority to make the commitment, unless the person to be committed is dissatisfied with the final order, in which case a jury trial is provided for.

The cost of the care and treatment of patients from the District of Columbia sent to the hospital is to be borne by the District of Columbia.

## NO BIG LOSSES ON INCOME TAX.

Secretary McAdoo Denies Rumor and Asks Additional Help.

In a letter to Representative Lohbeck of Nebraska, chairman of the House committee on expenditures in the Treasury Department, Secretary McAdoo of the Treasury denies a report that the government is losing \$1,000,000 annually by income tax frauds. The Treasury, he says, is enforcing the income tax with all the vigor that the small force authorized by Congress will permit. He also says that an adequate aid force for the investigation

of returns must be provided if the government is to get all it is entitled to under the law. Secretary McAdoo's letter is a reply to the Keating resolution regarding alleged frauds and evasions in connection with income tax returns. The loss is not as great as reported.
